Dear Chris:

STAT

Thank you for your letter of January 10, telling me of your talk with [redacted]. I did, indeed, have a good chat with her shortly after her return from Africa, but do not recall that she specifically mentioned [redacted].

[redacted] However, I find that last summer we did look into [redacted] qualifications a bit and gave some consideration to the possibility of our utilizing him. At that time we did not feel that we could utilize him to good advantage, and the same appears to be true at the moment.

With reference to the [redacted], I am arranging to have one of our people see [redacted] shortly and give her a full briefing on the situation.
